Hampton Court - 2nd Prize Plant Plot

Coblands was awarded 2nd Prize at the RHS Hampton Court Place Flower Show. This is the second time we have attended the show and this is a great achievement for us. Our plant plot and shop was shown on the BBC coverage of the show on Friday.

The theme 'Through the Garden Gate' gave us scope to display a wide range of plants for all conditions from cool moist shade through to hot dry sun and this was reflected in the shop where the areas were separated into sections 'I'm a Sun Lover, I Love Clay, I Love Chalk, I'm a Shade Lover, and 'I'm not Fussy!'

All the staff were involved in some way and our success shows the dedication and passion that Coblands has for it's plants and the nursery industry.

Ken Turner Award

Ken Turner, former Coblands director was awarded an Associate of Honour medal by the RHYS at the Hampton Court Palace Flower Show as recognition of his work within the nursery industry. Ken worked for Coblands for over 10 years.
